MEMORANDUM TO: Assistant General Counsel

SUBJECT: Procedure for Handling Real Names
of Agents

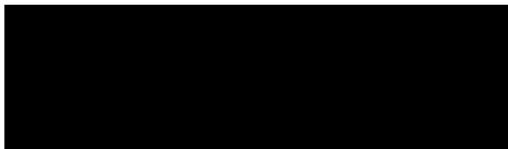

REFERENCE Memo of 6 Sept 1949 from Assistant
General Counsel to ADPC on subject

1. Thank you for the suggestion contained in reference memorandum with regard to the establishment of a more secure manner for handling the names and pseudonyms of agents. This matter is being referred to the appropriate units in OPC for further consideration and to work out necessary procedures in this Office.

2. The typewritten comment on your transmittal letter with regard to our use of a pseudonym system is somewhat disturbing as such a system is supposed to be in effect and any deviations therefrom are erroneous. This matter also is being referred to appropriate officers of OPC, and in the meantime I should appreciate your calling to my attention any instances where security appears to be threatened by careless use of real names.

FOR THE ASSISTANT DIRECTOR FOR POLICY COORDINATION:

Executive Officer, OPC
